ORDER:

In the reference 2nd read above, the Director General of Prisons & Correctional Services, Andhra Pradesh, Hyderabad has stated that the Central Prison, Rajamahendravaram is the biggest jail in Andhra Pradesh and the average lockup of the prison is always more than 1200 prisoners. Most of the prisoners are suffering from some or other ailments. There are a number of prisoners who have chronic diseases requiring constant follow up action and special medical care. There is a (20) bedded hospital in Central Prison, Rajamahendravaram, wherein patients are being admitted regularly and provided treatment. Besides these in-patients, about 200-300 prisoners are treated as out-patients every day. Further not less than 40 prisoners are being referred to outside hospitals every day for better treatment.

2. Further he has stated that the services of Para Medical staff such as Pharmacists, Lab Technicians and MNOs are essentially required for providing effective treatment to the sick prisoners which include supply of medicines, giving injections and i.v.fluids, nursing services, cleaning the wounds, dressing, lifting the prisoners from one place to another place and conducting the lab tests etc. Due to insufficient Para Medical staff, the Doctors are finding it very difficult to deliver better medical services. To overcome the above problem, there is an urgent need to accord permission to engage the five (5) para medical staff at Central Prison, Rajamahendravaram on out sourcing basis. He has therefore requested to accord permission to engage 1-Pharmacist, 1-Lab Technician and 3-MNOs on out sourcing basis at Central Prison, Rajamahendravaram for providing timely and effective treatment to the sick prisoners.
